

**BUTTERFLIES AND BURNETS OF THE ALPS**  
**and their larvae, pupae and cocoons**

*ERRATA - CORRIGE*

In spite of repeated readings and crossed corrections of the draft, the first edition of a book like this always contains mistakes. Therefore, the publication of the “Errata Corrigé” is a serious act to be done in the interest of the reader.

We apologize for the inconvenience and, however, we ask the attentive reader to inform the Author and the Editor about other mistakes eventually found in the book. Thank you.
